Director's Meeting

Tuesday, 23 October 1951

Mr. Wolf reported that he would see Mr. [redacted] about the drawings and possible mock-up of our building. He hopes to get this through in the third supplemental budget and if we are lucky it might come up in January.

Mr. Dulles brought up the question of policy in regard to release of information on Russian atomic matters. Mr. [redacted] said that as [redacted] [redacted] it might be well to get suggestions from Gen. Cabell. Cabell's suggestions coupled with our responsibility for protection of intelligence sources should give us some guidance as to our future position in relation to publicity.
